### **Important General Information**

- Prior to submitting an application, the "Notice to Applicants" should be reviewed.
- To appear before the Planning Board, all required application materials shall be submitted not later than 12:00 P.M., Monday, fourteen (14) days prior to the date of the Planning Board meeting at which the application is scheduled to be heard or as otherwise noted by the Planning Board Secretary. Continuing Business can be submitted 12 days prior to the Next Planning Board meeting by the close of business. Except where noted.

If all required application materials, including the pertinent application fee and escrow monies are not submitted by that deadline, the application shall be automatically removed from the agenda.

At the discretion of the Planning Board Chairman, the application may be rescheduled, if appropriate, for the next available Planning Board meeting or the application may be removed from future agendas altogether. Without prior authorization from the Planning Board, application submissions shall not be accepted at Planning Board meetings.

- At the time of submission, all required application materials shall be submitted. **Piecemeal** submissions **shall not** be accepted. Substitution of previously submitted materials shall not be permitted.
- All submissions shall be dated, with revision dates identified on new submissions.
- All submissions shall be accompanied by a cover letter describing the project and/or any changes as compared to previous submissions.
- For distribution purposes and mailing to the Planning Board Members and others (as required), multiple copies of application materials shall be collated into separate sets, each containing one copy of every submitted document. All application materials shall be submitted in a form that fits into a 12" x 17" envelope. Plans shall be folded and rubber banded as necessary.
- To be considered complete for Planning Board hearing purposes, an application package shall contain the information identified in Parts IV and V of this application form.
- For purposes of completing this application form, all responses provided shall be printed, except as otherwise specified.

#### IV. SUBMISSION REQUIREMENTS

The site development plan application package shall include all materials submitted in support of the application, including but not limited to the application form, plans, reports, letters and SEQR Environmental Assessment Form. Submission of the following shall be required:

- One (1) set of the site development plan application package (for distribution to the Town Planner for preliminary review purposes).
- Once a completed preliminary site plan checklist has been received from the Planning Department, eight (8) additional sets of the site development plan application package (for distribution to Planning Board, Town Engineer, Town Attorney, Town Planner, Planning Board Secretary, police, fire department and ambulance corps).
- One (1) additional reduced sized set (11" x 17") of the site development plan application package
  if any portion of the subject property abuts or is located within five hundred (500) feet of the
  features identified in Section II of this application form (for distribution to Westchester County
  Planning Board).
- A check for the required application fee and a check for the required Escrow Account, both made payable to "Town of North Castle" in the amount specified on the "Schedule of Application Fees."

(continued next page)

## V. INFORMATION TO BE INCLUDED ON SITE DEVELOPMENT PLAN

The following checklist is provided to enable the Applicant to determine if he/she has provided enough information on the site development plan for the Planning Board to review his/her proposal. Applicants are advised to review ARTICLE VIII, Site Development Plan of the North Castle Town Code for a complete enumeration of pertinent requirements and standards prior to making application for site development plan approval.

The application for site development plan approval will not be accepted for Planning Board review unless all items identified below are supplied and **so indicated with a check mark in the blank line provided.** If a particular item is not relevant to the subject property or the development proposal, **the letters "NA" should be entered instead**. In addition, the project will not be scheduled on a Planning Board agenda until the Applicant receives an initialed "site plan checklist" from the Planning Department.

The information to be included on a site development plan shall include:

Legal Data:
Name of the application or other identifying title.
Name and address of the Property Owner and the Applicant, (if different).
Name, address and telephone number of the architect, engineer or other legally qualified professional who prepared the plan.
Names and locations of all owners of record of properties abutting and directly across any and al adjoining streets from the subject property, including the tax map designation of the subject property and abutting and adjoining properties, as shown on the latest tax records.
Existing zoning, fire, school, special district and municipal boundaries.
Size of the property to be developed, as well as property boundaries showing dimensions and bearings as determined by a current survey; dimensions of yards along all property lines; name and width of existing streets; and lines of existing lots, reservations, easements and areas dedicated to public use.
Reference to the location and conditions of any covenants, easements or deed restrictions that cover all or any part of the property, as well as identification of the document where such covenants, easements or deed restrictions are legally established.
Schedule of minimum zoning requirements, as well as the plan's proposed compliance with those requirements, including lot area, frontage, lot width, lot depth, lot coverage, yards, off-street parking, off-street loading and other pertinent requirements.
Locator map, at a convenient scale, showing the Applicant's entire property in relation to surrounding properties, streets, etc., within five hundred (500) feet of the site.
North arrow, written and graphic scales, and the date of the original plan and all revisions, with notation identifying the revisions.
A signature block for Planning Board endorsement of approval.

Existing Conditions Data:	
Location of existing use and design of buildings, identifying first floor elevation, and other structures.  Location of existing parking and trust leading services in the structure of the struc	
Location of existing parking and truck loading areas, with access and egress drives thereto.  Location of existing facilities for water supply, sanitary sewage disposal, storm water drain and gas and electric service, with pipe sizes, grades, rim and inverts, direction of flow, etc. indicated.	
Location of all other existing site improvements, including pavement, walks, curbing, retain walls and fences.	ning
Location, size and design of existing signs.	
Location, type, direction, power and time of use of existing outdoor lighting.  Location of existing outdoor storage, if any.	
Existing topographical contours with a vertical interval of two (2) feet or less.	
Location of existing floodplains, wetlands, slopes of 15% or greater, wooded areas, landsca areas, single trees with a DBH of 8" or greater, rock outcrops, stone walls and any other significant existing natural or cultural features.	iped
Proposed Development Data:	
Proposed location of lots, streets, and public areas, and property to be affected by proposed easements, deed restrictions and covenants.	
Proposed location, use and architectural design of all buildings, including proposed floor elevations and the proposed division of buildings into units of separate occupancy.	
Proposed means of vehicular and pedestrian access to and egress from the site onto adjacent streets.	t
Proposed sight distance at all points of vehicular access.	
Proposed number of employees for which buildings are designed	
Proposed streets, with profiles indicating grading and cross-sections showing the width of the roadway; the location and width of sidewalks; and the location and size of utility lines.	ie
Proposed location and design of any pedestrian circulation on the site and off-street parking a loading areas, including handicapped parking and ramps, and including details of construction surface materials, pavement markings and directional signage.	and on,

etc. indicated.

Proposed location and design of facilities for water supply, sanitary sewage disposal, storm water drainage, and gas and electric service, with pipe sizes, grades, rim and inverts, direction of flow,

-	Proposed location of all structures and other uses of land, such as walks, retaining walls, fences, designated open space and/or recreation areas and including details of design and construction.
	Location, size and design of all proposed signs.
-	Location, type, direction, power and time of use of proposed outdoor lighting.
	Location and design of proposed outdoor garbage enclosure.
	Location of proposed outdoor storage, if any.
	Location of proposed landscaping and buffer screening areas, including the type (scientific and common names), size and amount of plantings.
	Type of power to be used for any manufacturing
	Type of wastes or by-products to be produced and disposal method
	In multi-family districts, floor plans, elevations and cross sections
()	The proposed location, size, design and use of all temporary structures and storage areas to be used during the course of construction.
	Proposed grade elevations, clearly indicating how such grades will meet existing grades of adjacent properties or the street.
	Proposed soil erosion and sedimentation control measures.
	For all proposed site development plans containing land within an area of special flood hazard, the data required to ensure compliance with Chapter 177 of the North Castle Town Code.
	For all proposed site development plans involving clearing or removal of trees with a DBH of 8" or greater, the data required to ensure compliance with Chapter 308 of the North Castle Town Code.
	For all proposed site development plans involving disturbance to Town-regulated wetlands, the data required to ensure compliance with Chapter 340 of the North Castle Town Code.
