PROPERTY HISTORY

Existing Single Family Home

Applicant obtained RPRC approval for a house addition on August 17, 2021.

The Applicant obtained a building coverage variance from the Zoning Board of Appeals for the addition.

COMPATIBILITY with the COMPREHENSIVE PLAN

- Continue to take neighborhood context into account in approving new single-family homes.
- Continue to protect natural resources and environmentally sensitive areas such as rivers, streams, lakes, ponds, wetlands, flood plains, aquifers, wildlife habitats, steep slopes and forested areas, significant trees, and woodlands, among others, from unnecessary and avoidable impacts.
- Continue strong protection of tree cover through the tree removal permitting process.
- Preserve the current overall development pattern of North Castle and its neighborhoods. Be sure new development responds to environmental constraints, particularly for preservation of the New York City watershed.
- Maintain the quality-of-life created by physical and natural attributes, by structuring development that promotes sound conservation measures.
- The Town should encourage residential development that is compatible in scale, density, and character with its neighborhood and natural environment.

STAFF RECOMMENDATIONS

1. The Applicant should be directed to address all outstanding staff and consultant’s comments.
2. The Planning Board will need to determine whether the project is compatible with the Comprehensive Plan.
