V. INFORMATION TO BE INCLUDED ON SITE DEVELOPMENT PLAN

The following checklist is provided to enable the Applicant to determine if he/she has provided enough information on the site development plan for the Planning Board to review his/her proposal. Applicants are advised to review ARTICLE VIII, Site Development Plan of the North Castle Town Code for a complete enumeration of pertinent requirements and standards prior to making application for site development plan approval.

The application for site development plan approval will not be accepted for Planning Board review unless all items identified below are supplied and **so indicated with a check mark in the blank line provided**. If a particular item is not relevant to the subject property or the development proposal, **the letters "NA" should be entered instead**. In addition, the project will not be scheduled on a Planning Board agenda until the Applicant receives an initialed "site plan checklist" from the Planning Department.

The information to be included on a site development plan shall include:

Legal Data:

- ☒ Name of the application or other identifying title.
- ☒ Name and address of the Property Owner and the Applicant, (if different).
- ☒ Name, address and telephone number of the architect, engineer or other legally qualified professional who prepared the plan.
- ☒ Names and locations of all owners of record of properties abutting and directly across any and all adjoining streets from the subject property, including the tax map designation of the subject property and abutting and adjoining properties, as shown on the latest tax records.
- ☒ Existing zoning, fire, school, special district and municipal boundaries.
- ☒ Size of the property to be developed, as well as property boundaries showing dimensions and bearings as determined by a current survey; dimensions of yards along all property lines; name and width of existing streets; and lines of existing lots, reservations, easements and areas dedicated to public use.
- ☒ Reference to the location and conditions of any covenants, easements or deed restrictions that cover all or any part of the property, as well as identification of the document where such covenants, easements or deed restrictions are legally established.
- ☒ Schedule of minimum zoning requirements, as well as the plan's proposed compliance with those requirements, including lot area, frontage, lot width, lot depth, lot coverage, yards, off-street parking, off-street loading and other pertinent requirements.
- ☒ Locator map, at a convenient scale, showing the Applicant's entire property in relation to surrounding properties, streets, etc., within five hundred (500) feet of the site.
- ☒ North arrow, written and graphic scales, and the date of the original plan and all revisions, with notation identifying the revisions.
- ☒ A signature block for Planning Board endorsement of approval.

Existing Conditions Data:

- X Location of existing use and design of buildings, identifying first floor elevation, and other structures.
- X Location of existing parking and truck loading areas, with access and egress drives thereto.
- X Location of existing facilities for water supply, sanitary sewage disposal, storm water drainage, and gas and electric service, with pipe sizes, grades, rim and inverts, direction of flow, etc. indicated.
- X Location of all other existing site improvements, including pavement, walks, curbing, retaining walls and fences.
- X Location, size and design of existing signs.
- X Location, type, direction, power and time of use of existing outdoor lighting.
- X Location of existing outdoor storage, if any.
- X Existing topographical contours with a vertical interval of two (2) feet or less.
- X Location of existing floodplains, wetlands, slopes of 15% or greater, wooded areas, landscaped areas, single trees with a DBH of 8" or greater, rock outcrops, stone walls and any other significant existing natural or cultural features.

Proposed Development Data:

- X Proposed location of lots, streets, and public areas, and property to be affected by proposed easements, deed restrictions and covenants.
- X Proposed location, use and architectural design of all buildings, including proposed floor elevations and the proposed division of buildings into units of separate occupancy.
- X Proposed means of vehicular and pedestrian access to and egress from the site onto adjacent streets.
- X Proposed sight distance at all points of vehicular access.
