RPRC DETERMINATION LETTER

Project Description: Tree removal
Street Location: 52 EVERGREEN ROW
Zoning District: R-1.5A Tax ID: 101.02-2-22 Application No.: 2021-1151
RPRC DECISION: RPRC - Submit to Building Department
Date: 12/21/2021

The above referenced application was reviewed by the Residential Project Review Committee (RPRC).

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- It is noted that the tree proposed to be removed is wired with electricity for an existing lighting fixture. Proper precautions should be taken into account when removing the tree.

At this time, you must submit two hard copies of revised plans addressing the above issues, this determination letter and a completed building permit application directly to the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.

Adam R. Kaufman, AICP
Director of Planning
