Zoning District: R-2A Tax ID: 100.04-1-46 Application No.: 2022-0050  
RPRC DECISION: RPRC - Submit to Building Department

---

The above referenced application was reviewed by the Residential Project Review Committee (RPRC).

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The Applicant shall prepare a revised tree mitigation plan that provides four additional native deciduous trees on the subject lot, unless determined not possible by the Building Department.

**At this time, you must submit two hard copies of revised plans addressing the above issues, this determination letter and a completed building permit application directly to the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.**

**If blasting or rock chipping is proposed, a permit pursuant to Chapter 122 is required.**

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
