RPRC DETERMINATION LETTER

Project Description: Fence
Street Location: 42 SARLES ST
Zoning District: R-2A Tax ID: 101.01-1-77 Application No.: 2022-0102
RPRC DECISION: OPEN
Date: 02/15/2022

The above referenced application was reviewed by the Residential Project Review Committee (RPRC).

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The site plan should note that a Knox box shall be required for the proposed gate.
- The site plan should depict any proposed equipment utility conduit for the proposed gate.
- The site plan should be revised to include a note stating that Town-regulated tree removal is not proposed.

At this time, you must submit two hard copies of revised plans addressing the above issues, this determination letter and a completed building permit application directly to the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If blasting or rock chipping is proposed, a permit pursuant to Chapter 122 is required.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
