RPRC DETERMINATION LETTER

Project Description: Fence
Street Location: 88 ROUND HILL RD
Zoning District: R-2A Tax ID: 109.01-1-7 Application No.: 2022-0219
RPRC DECISION: RPRC - Submit to Building Department
Date: 04/05/2022

The above referenced application was reviewed by the Residential Project Review Committee (RPRC).

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The proposed split-rail fence may be in Town-regulated wetland buffer. If so, the wetlands permit shall be reviewed administratively by the Building Department.
- The proposed fence may be in NYS wetland adjacent area. If so, the Applicant will need to obtain a freshwater wetlands permit from the NYSDEC.

At this time, you must submit two hard copies of the plans, this determination letter and a completed building permit application directly to the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If blasting or rock chipping is proposed, a permit pursuant to Chapter 122 is required.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
