RPRC DETERMINATION LETTER

Project Description: Tree removal
Street Location: 57 WINDMILL RD
Zoning District: R-1.5A Tax ID: 102.01-1-35 Application No.: 2022-0285
RPRC DECISION: RPRC - Submit to Building Department
Date: 04/20/2022

The above referenced application was reviewed by the Residential Project Review Committee (RPRC).

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- Since evergreen tree plantings represent a significant aesthetic to the Windmill Farms subdivision, the Applicant shall submit a replanting plan.
- The Town's GIS indicates that the site contains hydric soils. The Town Engineer should determine whether a wetlands permit would be required. If so, the permit shall be processed administratively via the Building Department.

At this time, you must submit two hard copies of revised plans addressing the above issues, this determination letter and a completed building permit application directly to the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If blasting or rock chipping is proposed, a permit pursuant to Chapter 122 is required.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
