RPRC DETERMINATION LETTER

Project Description: Fence
Street Location: 301 BEDFORD BANKSVILLE RD
Zoning District: R-2A Tax ID: 95.01-2-55 Application No.: 2022-0520
RPRC DECISION: RPRC - Submit to Building Department
Date: 07/05/2022

The above referenced application was reviewed by the Residential Project Review Committee (RPRC).

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The Building Department will need to determine whether the fence is pool enclosure compliant.
- Portions of the existing fence exceed six feet in height. All existing fencing exceeding six feet in height will need to be lowered in the field to the satisfaction of the Building Department or the Applicant will need to seek a variance from the Zoning Board of Appeals.

At this time, you must submit two hard copies of revised plans addressing the above issues, this determination letter and a completed building permit application directly to the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If blasting or rock chipping is proposed, a permit pursuant to Chapter 122 is required.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
