## RPRC DETERMINATION LETTER

Project Description: 2nd floor addition

Street Location: 53 HIGH ST

Zoning District: R-1A Tax ID: 101.03-1-6 Application No.: 2022-0835

RPRC DECISION: RPRC - Submit to Building Department

Date: 11/01/2022

---

The above referenced application was reviewed by the Residential Project Review Committee (RPRC).

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The Building Department shall determine the need to refer the application to the Westchester County Department of Health (WCHD) for review of the proposed bedroom count and/or additional floor area and whether modifications or upgrades to the existing septic system are required.
- The submitted elevations should be revised to depict Building Height and Max. Exterior Wall Height.

**At this time, you must submit two hard copies of revised plans addressing the above issues, this determination letter and a completed building permit application directly to the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.**

**If blasting or rock chipping is proposed, a permit pursuant to Chapter 122 is required.**

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
