RPRC DETERMINATION LETTER

Project Description: Removal of (3) trees that are close to house and power lines
Street Location: 7 CREEMER RD
Zoning District: R-2A Tax ID: 108.02-1-26 Application No.: 2023-0434
RPRC DECISION: RPRC - Requires Admin Wetlands Permit
Date: 06/06/2023

The above referenced application was reviewed by the Residential Project Review Committee (RPRC).

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The site contains a brook adjacent to the proposed tree removal. The Applicant will need to obtain a tree removal permit. Since the disturbance is minor, the wetlands permit shall be processed administratively via the Building Department.

At this time, you must submit two hard copies of revised plans addressing the above issues, this determination letter and a completed building permit application directly to the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If blasting or rock chipping is proposed, a permit pursuant to Chapter 122 is required.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
