RPRC DETERMINATION LETTER

Project Description: TREE REMOVAL
Street Location: 11 HILLANDALE DR
Zoning District: R-1A Tax ID: 108.01-4-5 Application No.: TP-2023-0015
RPRC DECISION: RPRC - Submit to Building Department
Date: 10/17/2023

The above referenced application was reviewed by the Residential Project Review Committee (RPRC).

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The Applicant shall propose new trees as mitigation for the proposed tree removal per the recommendation of the Applicant's arborist as detailed in an updated arborist report.

At this time, you must submit two hard copies of revised plans addressing the above issues, this determination letter and a completed building permit application directly to the North Castle Building Department. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If blasting or rock chipping is proposed, a permit pursuant to Chapter 122 is required.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
