RPRC DETERMINATION LETTER

Project Description: Changing front portico to a porch area
Street Location: 4 MEGAN LN
Zoning District: R-2A Tax ID: 102.03-1-15 Application No.: 2023-0803
RPRC DECISION: RPRC - Submit to Building Department
Date: 11/07/2023

The above referenced application was reviewed by the Residential Project Review Committee (RPRC).

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The plan shall illustrate the roof drainage piping connections on the Site Plan. Please show the existing drainage system and point of discharge.

At this time, you must submit a hard copy of revised plans addressing the above issues, this determination letter and a completed building permit application directly to the North Castle Building Department as well as directly to the Town Engineer. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If blasting or rock chipping is proposed, a permit pursuant to Chapter 122 is required.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
