RPRC DETERMINATION LETTER

Project Description: Interior renovation of the existing first floor and partial second floors addition.
Enlargement of existing bedroom and new front porch

Street Location: 7 EVERGREEN ROW

Zoning District: R-1A Tax ID: 101.02-3-56 Application No.: 2024-0017

RPRC DECISION: RPRC - Submit to Building Department

Date: 02/06/2024

The above referenced application was reviewed by the Residential Project Review Committee (RPRC).

The Committee determined that Planning Board and Architectural Review Board approval of the proposed project is NOT REQUIRED.

However, the following issues will need to be addressed prior to the issuance of a building permit:

- The applicant should provide erosion control fencing downgradient of ground disturbances within the area of the new front porch and re-establish the lawn area immediately after foundation is completed.
- The Building Department shall determine the need to refer the application to the Westchester County Department of Health (WCHD) for review of the proposed bedroom count and/or additional floor area and whether modifications or upgrades to the existing septic system are required.

At this time, you must submit a hard copy of revised plans addressing the above issues, this determination letter and a completed building permit application directly to the North Castle Building Department as well as directly to the Town Engineer. DO NOT START CONSTRUCTION WITHOUT A VALID BUILDING DEPARTMENT PERMIT.

If blasting or rock chipping is proposed, a permit pursuant to Chapter 122 is required.

If you would like to further discuss this matter, please do not hesitate to contact the Building Department.
